

## ADVANCED WARNING

### Seasonal Exclusion Zone – Boundary Line Buoys

All Kitesurfers, Windsurfers and users of the Hamm Beach water space are advised that a line of alternating Red and Yellow buoys will be established on the Southern Boundary of the [Seasonal Exclusion Zone](#).

These buoys will be joined together with a floating white rope and will help Kitesurfers and Windsurfers identify where the boundary lies.

Where appropriate, the existing white markers buoys will be incorporated into this line.
